

THIS TAX BENEFIT WORKS AS HARD AS YOUR VEHICLES

YOU COULD DEDUCT UP TO 100% OF THE PRICE OF A NEW GMC VEHICLE

No detail is too small for you and your business. That's why the professionals at GMC want you to know about an offer that's anything but small. Thanks to recently announced tax depreciation laws, your business may be eligible to immediately deduct up to 100% of the purchase price of qualifying new GMC vehicles purchased in 2022 for business use.

With these tax depreciation laws in place, it's a great time to add the precise craftsmanship of GMC trucks and SUVs to your small business. To learn more about current offers, contact your dealer or visit www.gmc.com/tax-deductions.

Federal tax depreciation deductions are only available for vehicles used in a trade or business, and are subject to change without notice. Each taxpayer's tax situation is unique—please consult your tax advisor to determine your business's vehicle depreciation deduction. For more information, visit irs.gov.
